

Helping acquirers to understand the Mastercard and Visa certification processes.

This training course is designed to inform acquirers banks about the Mastercard and Visa certification processes. It also offers guidance on each step of the integration process for acquirers looking to implement a new terminal in their network.

Objectives

- Understand the Mastercard Integration Process.
- Understand the Visa Acceptance Process.
- Identify the challenges at each step of the certification processes.

Key topics

- What is an EMV® migration?
- Step-by-step account of the Mastercard Integration Process.
- Step-by-step account of the Visa Acceptance Process.
- Mandatory and optional services.

Audience

Acquirers who want to master the Terminal Integration, in the Mastercard and Visa environments.

Prerequisites

Basic knowledge of payment, terminal and card systems. Completion of the **Payment Ecosystem introduction** training would be an advantage.

Price

Visit our website for more information about our training offer. For any specific requests, please contact us.

Payment ecosystem
