

## Healthcare testing services

One stop shop for physical tests for all form factors.

Ensure ABDM compliance with our easy and intuitive platform.

Organizations in the ABDM ecosystem must meet NRCeS API and functional guidelines. **TrustAPI+** provides pre-defined test cases and certification scenarios, ensuring quick and reliable compliance.

### How it works.

- Access our cloud-based API test platform.
- Conduct self-testing and debugging with a dedicated log view.
- Benefit from issue analysis support.
- Submit pre-compliance and compliance logs and test reports to Fime's online API expertise center.
- Obtain certification qualification and request approval from ABDM.

Fime can help you at any stage of your project lifecycle.
